4-H Exhibit Entry Form

4-H Exhibit Entry Form is an optional form to help you gather information needed to enter exhibits online. It is also available at the USU Extension office.

Brief Overview of Steps in Entering Exhibits Online

Step 1: Go to https://utah4hreg.usu.edu/cf/
Step 2: Click on “HELP! I need a new password” to set up an account.
Step 3: Enter your email and click the submit button. If your email is in our database you will be sent a temporary password (if we don’t have your email address please contact the USU Extension office (435 695-2542 or 1-877-390-2326) so we can add it so you will be able to do this step).
Step 4: Check your email for the temporary password sent to you, then login using your email address and password.
Step 5: Click on the Add Entries Tab. This is where you will input all indoor exhibits for your youth (this is for indoor exhibits only – do not add animals or crops). Select 4-H member from the list. Select class and lot for one exhibit they plan to enter. Under “Items” enter the number of items that need tags (2 tags for pajamas with top and bottom). Briefly describe the exhibit in a way that would help us find it. For example, blue skirt with ruffle, crayon drawing of duck, sugar cookies, etc. Click on “Add Entry”. Repeat this process for each additional exhibit. Class and lot information is available in the Box Elder County Fair Book or online at http://extension.usu.edu/boxelder > 4-H & Youth > Box Elder County Fair > Indoor Exhibits.
Step 6: To View exhibits entered click on “View Entries”.
Step 7: Print exhibit tags by clicking on “Exhibit Tags”. The tags you print will be the tags displayed on the exhibit during the fair.
Step 8: Print two lists of exhibits by clicking on “Print Entry Check List”. Under Print Entry Checklist click on “Name” and print the list. Then click on “Class / Lot” and print the list.
Step 9: On August 24th or 25th have 4-H members bring their exhibits to you. Use pins, tape, or rubber bands to attach tags to the exhibits.
Step 10: At the Fairgrounds

On August 25th bring the exhibits to the 4-H area in the Events building between 1 - 8 p.m. If you have entered exhibits online take them directly to the entry tables at the center of the exhibit and give the volunteer the lists of exhibits you printed. The volunteer will check off each exhibit you brought to the fair, add any exhibits that were not entered online, and cross off any exhibits that were not completed but were entered online.

If exhibits were not entered using the Online County Fair Entry System go to one of the computers near the 4-H exhibit and enter the exhibits there following the instructions above.

Northern Region
Ambassadors for
Box Elder County

Dallen Borg
Emily Smith
Rachael McBride

Emily Smith has been involved in 4-H for 6 years, serving in many leadership positions with her 4-H club, the Carlow Critters. Emily has been actively involved with showing different types of livestock, cooking, sewing, and cake decorating. She served two years on the Box Elder 4-H Youth Council, where she was being in the service of others, and being at home playing the guitar and reading. Emily lives in Snowville and is daughter of David and Tracy Smith.

Rachael McBride

Hi, I am Dallen Borg. I am 13 years old. I love to hike, mountain bike, and camp. Every morning you can find me in the pool for I am on a swim team. I have been in 4-H for 5 years. I have participated in YLC camp and 4-H camp meeting other kids from around the state. I have spent my summers in 4-H camps from robotics to outdoor. My projects in 4-H are hogs, chickens, turkeys, and arts and crafts. I have been on the 4-H Junior Youth Council for 2 years. As an ambassador, I would like to introduce more kids into 4-H and everything it has to offer. I would like kids to feel confident and accomplished as I have with 4-H.

Thank you for giving me the opportunity to serve as a Northern Region Ambassador.

Dallen Borg

Rachael McBride

Hi, I am Rachael McBride. I am almost 15 years old and entering 9th grade at Bear River Middle School. My parents are Tawny and Suzanne McBride. She has two older sisters and lives in the small town of Collinston. Rachael’s current 4-H projects include market hogs, horticulture, food preparation, clothing construction, and photography. Rachael is active in the county’s Teen Council and is proud to represent Box Elder County 4-H as an ambassador. While she is an ambassador, she hopes to become a better leader and to increase the county’s participation in 4-H. When she isn’t busy with school, church, or other extracurricular activities, Rachael likes to read, watch Netflix, and YouTube, write and compose music on the cello and piano, ride her horses, or hang out with her friends. Her favorite class is school by far and science is her favorite subject. Though she also enjoys most of her other classes such as science, journalism, and language arts. Her least favorite class is definitely P.E. Rachael’s favorite parts of 4-H are meeting new people, competing in contests such as the Fashion Revue, and taking part in the fair.

They are judged on their display knowledge and interview skills.

Please sign up for the contest using ut.4honline.com by Monday, August 3. We will call to schedule a time for your interview.

The contest will be held at the Bridgerland Applied Technology College, 325 West 1100 South in Brigham City and will begin at 10 a.m. Please sign up for the contest using ut.4honline.com by Monday, August 3. We will call to schedule a time for your interview.

EACH 4-H MEMBER MAY ENTER UP TO 25 EXHIBITS IN THE 4-H INDOOR EXHIBIT AREA. This number does not include exhibits entered in the crops, livestock, open class art, open class photography, or home arts departments. You may complete as many projects as you like during the year, and then choose your very best projects to enter at the fair.

Enter Exhibits at Your Own Risk

Enter exhibits at your own risk. Exhibits are rarely damaged or stolen, but sometimes this happens. If you are not willing to risk having your exhibit damaged or stolen, please do not enter it. If an exhibit is damaged or stolen the 4-H Department and the Box Elder County Fair will not replace it.

Attention Art Exhibitors

In order to make framed artwork entered in the fair easier to display, please attach screw eye hooks and picture hanging wire to the back of each entry. Artwork that is not framed should be permanently affixed to a mount board that is approximately 1/8" to 1/4" thick. The mount board can be a standard matte or a foam core. Do not use corrugated cardboard, wood, masonite, or poster board. Exhibits without secure hang- ers or not properly mounted may not be displayed.

Vet Services Offered at the Fair

In an effort to help us display a more healthy group of livestock and provide a better experience for 4-H and FFA exhibitors during the fair, the Bear River Animal Hospital will donate the services of Drs. Ryan Bevan and Ira Mickelson at the weigh-ins to help us identify communicable diseases and other livestock health and safety issues. They will also assist us in taking the necessary precautions such as quarantine or disqualification for sick or unsafe animals.

Prior to bringing livestock projects to the fair, 4-H and FFA youth, parents and club leaders should monitor their projects and treat (under the guidance of a veterinarian and/or following the drug’s label) those animals with transmittable/communicable diseases such as ringworm, coughs, scours, foot rot as well as physical problems such as bloat or prolapse to help make sure we have healthy and safe livestock during the fair.
