Instructions for Using the Online Fair Entry System
This instruction sheet will take you step by step through the process of entering exhibits using the Online Fair Entry System.

Brief Overview of Steps in Entering Exhibits Online

Step 1: Go to [https://utah4hreg.usu.edu/cf/](https://utah4hreg.usu.edu/cf/)

Step 2: Click on “HELP! I need a new password” to set up an account.

Step 3: Enter your email and click the submit button. IF your email is in our database you will be sent a temporary password (if we don't have your email address please contact the USU Extension office (435-695-2542 or 1-877-390-2326) so we can add it so you will be able to do this step).

Step 4: Check your email for the temporary password sent to you, then login using your email address and password.

Step 5: Click on the Add Entries Tab. This is where you will input all indoor exhibits for your youth (this is for indoor exhibits only – do not add animals or crops). Select 4-H member from the list. Select class and lot for one exhibit they plan to enter. Under “Items” enter the number of items that need tags (2 tags for pajamas with top and bottom). Briefly describe the exhibit in a way that would help us find it. For example, blue skirt with ruffle, crayon drawing of duck, sugar cookies, etc. Click on “Add Entry”. Repeat this process for each additional exhibit. Class and lot information is available in the Box Elder County Fair Book or online at [http://www.boxeldercounty.org/4-h-department.htm](http://www.boxeldercounty.org/4-h-department.htm)

Step 6: To View exhibits entered click on “View Entries”.

Step 7: Print exhibit tags by clicking on “Exhibit Tags”. The tags you print will be the tags displayed on the exhibit during the fair.

Step 8: Print two lists of exhibits by clicking on “Print Entry Check List”. Under Print Entry Checklist click on “Name” and print the list. Then click on “Class / Lot” and print the list.

Step 9: On August 22nd or 23rd have 4-H members bring their exhibits to you. Use pins, tape, or rubber bands to attach tags to the exhibits when the exhibits arrive.

Step 10: At the Fairgrounds
On August 23rd bring the exhibits to the 4-H area in the Events building between 1 - 8 p.m. If you have entered exhibits online, take them directly to the entry tables at the center of the exhibit and give the volunteer the lists of exhibits you printed. The volunteer will check off each exhibit you brought to the fair, add any exhibits that were not entered online, and cross off any exhibits that were not completed but were entered online.

If exhibits were not entered using the online 4-H County Fair Manager program go to one of the computers near the 4-H exhibit and enter the exhibits there following the instructions above.
4-H State Contests

Our amazing youth did a great job at the Utah State University Extension 4-H State Contests were held in July on the USU campus. They all went in as fierce competitors and set a high standard of professionalism and class. They are SHARP and it was obvious in their performances.

1. Decorate an article of clothing using appliqué, embroidery, fabric paints, etc.
2. Practice your modeling skills
3. Learn the facts about your outfit, how the decorations were made, how to launder your outfit, how much you spent, etc.

The Decorate Your Duds Contest will be held on Thursday, August 11, 2016 at Bridgerland Applied Technology College, 325 West 1100 South in Brigham City and will begin at 10 a.m. This contest is open to 4-H members in grades 3-12. 4-H Sewing Contest

The 4-H Sewing Contest is a new contest similar to the Fashion Revue Contest. The difference is that in the Sewing Contest 4-H members sew something that they cannot wear. It could be a table runner, pillow, child’s outfit, quilt, etc. Then rather than model it, they create a display to show to the judges. The judges ask them questions about what they have made. They are judged on their display knowledge and interview skills.

The Sewing Contest will be held on Thursday, August 11, 2016 at the Bridgerland Applied Technology College, 325 West 1100 South in Brigham City and will begin at 10 a.m. This contest is open to 4-H members in grades 3 - 12. Please sign up for the contest using ut.4honline.com by Thursday, August 4. We will call to schedule a time for your interview.

August 11th is the day for the Jr. Fashion Revue Contest. Juniors (grades 3-5) and Intermediates (grades 6-8) in clothing projects are eligible to participate. In this contest each 4-Her makes and accessorizes an outfit and models it for the judges. Judges ask questions about how it was constructed, how it will be cared for, etc.

The contest will be held at the Bridgerland Applied Technology College, 325 West 1100 South in Brigham City and will begin at 10 a.m. Please sign up for the contest using ut.4honline.com by Thursday, August 4, 2016. We will call to schedule a time for your interview.

Please plan to attend the Fashion Workshop on August 10th to prepare for the contest.

**Enter up to 25 4-H Exhibits in the Indoor Exhibit Area**

EACH 4-H MEMBER MAY ENTER UP TO 25 EXHIBITS IN THE 4-H INDOOR EXHIBIT AREA. This number does not include exhibits entered in the crops, livestock, open class art, open class photography, or home arts departments. You may complete as many projects as you like during the year, and then choose your very best projects to enter at the Fair.

**Enter Exhibits at Your Own Risk**

Enter exhibits at your own risk. Exhibits are rarely damaged or stolen, but sometimes this happens. **If you are not willing to risk having your exhibit damaged or stolen, please do not enter it.** If an exhibit is damaged or stolen, the 4-H Department and the Box Elder County Fair will not replace it.

**Attention Art Exhibitors**

In order to make framed artwork entered in the fair easier to display, please attach screw eye hooks and picture hanging wire to the back of each entry. Artwork that is not framed should be permanently affixed to a mount board that is approximately 1/8" to 1/4" thick. The mount board can be a standard matte or a foam core. Do not use corrugated cardboard, wood, masonite, or poster board. **Exhibits without secure hangers or not properly mounted may not be displayed.**

**Best 4-H Clothing Construction Award**

“Best 4-H Clothing Construction Award” is presented by Michael B. Jensen in memory of his wife, Gloria Jensen. 4-H members enrolled in a clothing project and exhibiting at the Box Elder County Fair will be considered for this award. **Portfolio Workshop**

A Portfolio Workshop will be offered Saturday, September 10 from 10 a.m. to noon in the Fine Arts Building at the Fairgrounds. 4-H leaders, parents, and youth are invited.

Why do a Portfolio?

1. It’s a great way to learn to keep accurate records.
2. You can win scholarships through 4-H (a Portfolio is required to apply)
3. It is an ongoing record of your Community Service and Leadership Experience that is valuable when filling out scholarship applications and resumes for employment.
4. All Livestock and Horse Projects are required to complete a Portfolio or Record Book.

Please go to boxelder4h.usu.edu > Resources > Portfolio and review the material before attending the class.

**Vet Services Offered at the Fair**

In an effort to help us display a more healthy group of livestock and provide a better experience for 4-H and FFA exhibitors during the fair, the Bear River Animal Hospital will donate the services of Drs. Ryan Bevan and Ira Mickelson at the weigh-ins to help us identify communicable diseases and other livestock health and safety issues. They will also assist us in taking the necessary precautions such as quarantine or disqualification for sick or unsafe animals.

Prior to bringing livestock projects to the fair, 4-H and FFA youth, parents and club leaders should monitor their projects and treat (under the guidance of a veterinarian and/or following the drug’s label) those animals with transmittable/communicable diseases such as ringworm, coughs, scours, foot rot as well as physical problems such as bloat or prolapse to help make sure we have healthy and safe livestock during the fair.
