Senior Fashion Revue, Sewing Contest and Shop Smart Contest
Wednesday, June 26, 2013 – Place to be determined

Three fashion and sewing contests will be held for senior 4-H members in 2013. 4-Hers entering the Senior Fashion Revue Contest, will model an outfit they have made for judges while commentary they have written is being read. They will then be interviewed by the judges. Scores will be based on garment construction (50%) and modeling with commentary and interview (50%).

The 4-H Sewing Contest allows 4-Hers who have sewn a non-garment project such as a quilt, baby dress, handbag, etc. to create a display showcasing their project, give an oral presentation about their project, and participate in an interview with the judges. Awards will be based on presentation/interview, display of project, and construction.

The 4-H Smart Shopping Challenge Contest is designed as a fun and practical learning experience for 4-H members enrolled in a clothing or consumer decision making project. Participants will compare and consider three outfits and demonstrate decision making skills in selecting the most suitable of the three outfits. They will model the outfit for judges and share decisions made in the selection of the outfit. Visit Utah 4h.org and click on Events > State Contests > to see the contest guidelines for all three contests.

Please pre-register for these contests by June 19 by contacting Ann (435 695-2544 or 877 390-2326 or ann.henderson@usu.edu).
