Are You Registered for 4-H?

Junior livestock taggings are only a few days away and there are many 4-H leaders and members who have not completed their online registration. Registration needs to be completed before tagging your 4-H hog or lamb by going to the website:

ut.4honline.com

Please do not plan to register online at weigh-in. A $5 late fee will be added for late registration. Volunteers, please notify your club of weigh-in dates and enrollment requirements.

Remember you cannot pay online for your 4-H registration, but you can call the USU Extension Office in Brigham City and pay over the phone with a debit/credit card. You are welcome to come into the office at the courthouse, 01 South Main, Room 30 in Brigham City if you would like help with the data entry, or feel free to call us at 435-695-2543 for assistance.

Leaders…your 4-H club enrollments cannot be approved until you have re-enrolled yourself as a leader in the 4-H online system. The information you entered from last year is still in the database, so it is fairly easy to re-enroll. If you can’t remember your password, press “I forgot my password” or call the USU Extension Office.

Senior Fashion Revue Contest, Sewing Contest, and Shop Smart Challenge

Friday, June 24, 2016  
1 p.m., Place to be determined

Three fashion and sewing contests will be held for senior 4-H members in 2016. 4-Hers entering the Senior Fashion Revue Contest, will model an outfit they have made for judges while commentary they have written is being read. They will then be interviewed by the judges. Scores will be based on garment construction (50%) and modeling with commentary and interview (50%).

The 4-H Sewing Contest allows 4-Hers who have sewn a non-garment project such as a quilt, baby dress, hand bag, etc. to create a display showcasing their project, give an oral presentation about their project, and participate in an interview with the judges. Awards will be based on presentation/interview, display of project, and construction.

The 4-H Shop Smart Shopping Challenge is designed as a fun and practical learning experience for 4-H members enrolled in a clothing or consumer decision making project. Participants will compare and consider three outfits and demonstrate decision making skills in selecting the most suitable of the three outfits. They will model the outfit for judges, and share decisions made in the selection of the outfit.

Register for these contests using 4-H Online by June 17, 2016.

**SHEEP SHEARING**

Sheep do not need to be sheared before crossing the scale at the tagging in June, but the sheep committee recommends that you have the sheep sheared as soon as possible because your project will do better. There may or may NOT be someone at the fairgrounds to shear the sheep at the taggings. Sheep can have no more than 60 days’ fleece at the weigh-in at the County Fair.

**SHEEP WEIGHTS**

Market lambs are to weigh a minimum of 110 pounds at the weigh-in of the County Fair (in August). Lambs at the tagging (in June) cannot weigh more than 110 lbs. 4-H and FFA exhibitors need to indicate at the weigh-in if they are planning to participate in the carcass contest.

Families with registered 4-H and/or FFA members with fewer than three animals per species per exhibitor may tag an alternate/family project animal as long as that project is used by immediate family members (brothers or sisters). Any exhibitor having three project animals will not be permitted to use an alternate/family project.

Important Notice to 4-H Livestock Exhibitors

Exhibitors not enrolled in 4-H before the weigh-in of their livestock project at the County Fair will be charged a $25.00 late registration fee.

Exhibitors must be in 3rd - 12th grades as of January 1, 2016 and enrolled in Box Elder School District to be eligible to show and sell an animal in the Box Elder Junior Livestock Show and in all the other state livestock shows.
